**Everybody's Talking!**

**Long nails:** A nail technician and makeup artist from Gary, Indiana (U.S.), has been growing her fingernails since 1989. Today, Cordelia Adams boasts nails that are over 12 inches (30.5 cm) long. With such long nails in the way, taking care of daily duties like brushing your teeth or writing a note may seem impossible, but Adams has managed to work around things. Covered with acrylic overlays, her nails are works of art, and she paints new designs on a regular basis. Adams got her love of long fingernails from her mother, who always sported long, painted nails. She loves the attention her nails bring, and says she'd never give them up.

**Money problem:** If someone receives an obviously erroneous paycheck that is worth many times more than expected, most people would be honest and let the employer know about the mistake. Not so for a Chilean employee, who quit work and disappeared after being paid many times more than his usual wage. The meat products company accidentally paid out \$165,398,851 (CLP) instead of \$500,000 (CLP). At first, the person agreed to repay the money, but must have had second thoughts because the money never reappeared. When the company repeatedly tried to make contact, it could not. The company planned to take legal action to be repaid for its expensive mistake.

**Whistling for the players:** At a stadium in Čierny Balog, Slovakia, soccer enthusiasts often have more to watch than just the game. That's because the stadium has a railway track running through it, and it's active. The railway was defunct when the stadium was built in the 1980s. However, locals wanted to reactivate the historic tracks, and they did so. Now, during the summers, a steam-powered engine pulls train cars full of tourists who are determined to view the area's scenery. While it seems odd, the sight of a train chugging past the grandstand in the middle of a game has become a highlight for both spectators and the train's passengers.

**Wedding ring:** When someone loses a wedding ring, it's often gone forever. However, an elderly widow from Looe in Cornwall, England, got the surprise of her long life when she discovered her late husband's wedding ring in the garden after it had been lost for 35 years. Ann Kendrick was cleaning up a garden in her yard when she noticed what she thought was a metal object in the ground under an apple tree. It turned out to be husband Peter's wedding ring, which they hadn't seen since 1987. Kendrick thinks he lost it while working in the yard. She plans to clean up the ring and wear it on a necklace in memory of him.

# Your Weekly Horoscopes

## ARIES

(March 20 - April 19)

There's a well-known saying that goes, "When the student is ready, the teacher appears." Does this apply to you now? Are you the student, the

teacher, or perhaps both? Lucky numbers: 11, 21, 24, 28, 31, 44.

## TAURUS

(April 20 - May 20)

What would bring more pleasure into your life? Consider whether you might need to make a large-scale shift or if something smaller would

suffice for now. Perhaps a vacation? Lucky numbers: 3, 10, 14, 22, 31, 42.

## GEMINI

(May 21 - June 20)

At midweek, your mind may be especially sharp. However, if you experience information overload, find a means of stress reduction. Once this phase

passes, you can integrate the insights. Lucky numbers: 5, 6, 8, 13, 17, 36.

## CANCER

(June 21 - July 21)

Letting go can be difficult, but this week try to focus on wrapping up any situations that may have reached their end. Next week you might be

glad that you did. Lucky numbers: 11, 17, 29, 36, 37, 39.

## LEO

(July 22 - Aug. 22)

Over the next several weeks, you may be able to fully express your enthusiasm in your interactions with others. If you share this, you might see

its positive impact on them. Lucky numbers: 8, 15, 27, 29, 39, 45.

## VIRGO

(Aug. 23 - Sept. 22)

You are entering a two-month period where you can become what may be called a "scholar-warrior." Using facts and data, you might achieve a victory

that protects and serves others. Lucky numbers: 2, 6, 17, 19, 34, 35.

## LIBRA

(Sept. 23 - Oct. 22)

You may feel a desire to improve your health and well-being over the next couple of months. This might be a good process

for Libras, who tend to focus on others. Lucky numbers: 4, 10, 23, 30, 43, 47.

## SCORPIO

(Oct. 23 - Nov. 21)

Your ability to pick up on the emotions of others may be disrupted. Do you find this disconcerting or a relief? Try to integrate

the discordant energy or perhaps wait it out. Lucky numbers: 10, 17, 19, 26, 33, 35.

## SAGITTARIUS

(Nov. 22 - Dec. 20)

Your heart and mind may be out of sync at midweek. See if you can find a balance between the two, or perhaps wait

out the situation for a few days. Lucky numbers: 7, 8, 15, 23, 33, 44.

## CAPRICORN

(Dec. 21 - Jan. 19)

Early in the week, a flash of insight may arise from your unconscious. This might be a bit frightening, so sit quietly with it

before acting. Seek help if you need it. Lucky numbers: 9, 10, 12, 23, 40, 48.

## AQUARIUS

(Jan. 20 - Feb. 18)

There are many challenges in the world, but your response doesn't have to always be serious. The next several weeks could

have an optimistic dynamic. Can you integrate it? Lucky numbers: 1, 3, 4, 9, 21, 47.

## PISCES

(Feb. 19 - March 19)

Are you clear on what you are passionate about? This week you might receive information that may require you to make

some adjustments in order to achieve what you value. Lucky numbers: 6, 16, 20, 22, 28, 36.

Lucky numbers this week: This week's odds favor Taurus winners with the luckiest number being 3.

## Did You Know...

**Lightning tips:** In a situation where lightning may strike, move quickly inside a building or hardtop car. If that is not possible, move to low ground, away from tall objects and water, and crouch in a ball position with head tucked.

**Spicy mix:** The spice blend *merquén*, or *merkén*, is important in Chile's Indigenous Mapuche cuisine. *Aji cacho de cabra* (goat's horn peppers) are harvested, dried, smoked, and blended with ground coriander, cumin, and salt. Mmmm!

**Wish on a bone:** A turkey's wishbone is considered a good luck charm in the U.S. After Thanksgiving dinner, two people each pull one end, and whoever snaps off the larger piece can make a wish.

**Caterpillar capers:** Someone wanting a snack in Costa Rica's La Amistad National Park might want to visit La Orunga Restaurante in Altamira de Biolley. Looking like a caterpillar from a children's storybook, the restaurant includes a craft shop.

**Trek town:** The town of Vulcan, Alberta (Canada), was named for the Roman god of fire. Because "Vulcan" is also an alien species in the *Star Trek* movies, the town is known as the Official Star Trek Capital of Canada.

## On the Lighter Side

How did the fairy tale end? It was kinda Grimm.

Did you hear about the magic tractor? It turned into a field.

Knock! Knock! *Who's there?* Sonata. *Sonata who?* Sonata big deal.

In a restaurant window: "Don't stand there and be hungry; come on in and get fed up."

Bob: "I don't think these passport photos do me justice."  
 Bill: "You don't want justice, you want mercy."

## Answers

**Trivia answers:** 1. Cats 2. Vermeer 3. Guatemala City 4. Gregorian 5. True

**The Original Social Media...**

**Coffee News Works!**  
 When my first trivia night produced dismal results I decided to try Nick Ricciarini's Coffee News! My first ad doubled my players. My second tripled them! Compared to other media The Coffee News has these advantages. It is widely distributed and free. It's readers treat ads as news holding each issue in one hand and a coffee or sandwich in the other. Ads catching attention are easily put in a pouch or purse. Best of all for me every player from last year returned for this year!
