Your Weekly Horoscopes

ARIES

(March 20 – April 19)

Last week you may have found important information emerging from your unconscious. This pattern could continue. Again, consider if you need to adjust your view. Lucky numbers: 10, 11, 25, 35, 42, 43.

TAURUS

(April 20 – May 20)

You may be feeling irritated, with a desire to break free of restrictions. This dynamic needs to be honored, but be sure to give yourself time to create a good plan for change. Lucky numbers: 4, 5, 6, 17, 28, 37

GEMINI

(May 21 – June 20)

Six months have passed since your birthday. Did you set a new set of goals then? If you did, now is a good time to evaluate your progress and make changes as needed. Lucky numbers: 9, 17, 27, 36, 44, 45.

CANCER

(June 21 – July 22)

You may have a number of opportunities now. But if you must close the deal in the next few weeks, double check the details and verify that everyone is in agreement. Lucky numbers: 7, 14, 18, 24, 33, 40.

LEO

(July 23 – Aug. 22)

Over the next month, you may receive an energy boost that could help you accomplish your objectives. But be sure that the result is a win-win for all involved. Lucky numbers: 14, 25, 28, 32, 42, 45.

VIRGO

(Aug. 23 – Sept. 22)

Your normally disciplined manner may feel disrupted over the next month. Rather than fighting against it, could you be more flexible, even if it feels uncomfortable? Lucky numbers: 8, 16, 22, 27, 34, 36.

LIBRA

(Sept. 23 – Oct. 22)

Libras can sometimes sweep issues under the rug for the sake of keeping the peace. However, early this week may be time for truth telling in service to positive change. Lucky numbers: 6, 16, 22, 28, 33, 46.

SCORPIO

(Oct. 23 – Nov. 21)

There is a great wave of energy now, but your ability to harness it over time could be deceptive. You might want to resist the temptation to take action right now. Lucky numbers: 2, 17, 20, 32, 38, 42.

SAGITTARIUS

(Nov. 22 – Dec. 21)

Your birthday month is a good time to review what you have accomplished in the last year. What worked and what didn't? What new goals do you want to set? Lucky numbers: 3, 9, 17, 40, 42, 46.

CAPRICORN

(Dec. 22 – Jan. 19)

The energy at the end of the week is well grounded. How do you want to apply it? You might be able to use it to advance a project that you need to complete. Lucky numbers: 13, 17, 25, 32, 40, 48.

AQUARIUS

(Jan. 20 – Feb. 18)

You may have an opportunity to dig deep into your psyche and unearth something needing release. Take advantage of it to avoid a more difficult transformation later. Lucky numbers: 5, 8, 23, 24, 32, 48.

PISCES

(Feb. 19 – March 20)

The feeling of urgency you may have had several weeks ago may return now. Take a deep breath and focus on what you realistically can accomplish. Then get to work. Lucky numbers: 1, 6, 7, 13, 18, 30.

Lucky numbers this week: This week's odds favor Leo winners with the luckiest number being 25.

Did You Know...

Star catcher: Built into a natural hollow, China's 500-meter (1,640-ft.) radio telescope is too massive to move. Its giant metal dish gathers signals from deep space, helping scientists discover distant stars, and maybe even hints of life beyond our planet.

Bug countdown: Some of the large, loud insects called cicadas spend 17 years underground before surfacing all at once. During that stretch, they stay busy as nymphs, feeding on tree roots. When the soil warms to the right temperature, they rise up to sing and mate.

Backing band: The music group best known for "Africa" didn't just top charts on their own. They also backed Michael Jackson on *Thriller*. Members of Toto contributed to much of the iconic album, lending their musicianship to tracks like "Beat It" and "Human Nature."

Language layers: In Papua New Guinea, more than 800 languages are spoken across its rugged mountains and scattered islands. Isolated villages have developed their own ways of speaking over time, making this Pacific nation the most linguistically diverse on the planet.

Stage glow: The phrase "in the limelight" comes from a bright stage light once made by heating quicklime, a type of calcium compound. It lit up performers long before electric bulbs took over. The expression still shines today.

On the Lighter Side

A monster with a drip dry suit is called a wash-and-were-wolf.

We were going to tell you a swimming joke, but it was too watered down.

Patient: "I'm here for my liver."
Doctor: "Sorry, I don't have it."

Knock! Knock! *Who's there?* Otter. *Otter who?* You otter open the door and let me in.

What do you need to know to be an auctioneer? Lots.
